

2nd Grade Field Trip Policy

During the school year, we will be taking several field trips. These trips are for educational purposes, but we would also like to make them fun trips for all involved. We have set down some rules to govern who will be allowed to go on the trips and who will have to stay behind in another class.

Primarily we will be looking for good behavior. Students with an office referral, which results in ISS or a suspension, will automatically be removed from those going on the trips.

Second, anyone with a current referral, one within the past six weeks, more than three during the course of the year, more than 1 lunch detention, and/or more than 3 folder write ups within the past 3 weeks is subject to not going. This will be at the teacher's discretion.

Lastly, we will be looking at grades. If your child is missing a lot of work for reasons other than excused absences, he or she will not be going on the trips. It is the responsibility of each child to keep up with the assignments. He or she will be asked to stay at school and complete the make-up work.

Please share this information with your child and help them understand what will be expected of them if they want to join us on field trips this year.

Thank you in advance,

The Second Grade Team

Student Name: _____

Please sign and return this portion of the letter back to your teacher on ___/___/___.

I have read and understand the rules and procedures listed above for our second grade field trip policy.
